

WARRANTY

1. Motorflug Baden-Baden GmbH warrants that each component, accessory or detail which has been overhauled, repaired or modified by them, is free from defects in workmanship, when properly installed and used under normal conditions.

The warranty for workmanship is valid for 12 (twelve) months from the date of delivery or 6 (six) months from the date of first operation or 200 (two hundred) hours of operation, whichever event takes place first.

The obligation of Motorflug Baden-Baden GmbH under this warranty shall be limited to the repair of such component, accessory or detail, returned to Motorflug Baden-Baden GmbH and which, in the judgement of Motorflug Baden-Baden GmbH, has a fault or faults covered by the warranty or are found to be defective.

2. The warranty for new spare parts installed by Motorflug Baden-Baden GmbH is limited to the warranty extended by the manufacturer/supplier.
3. The costs for removing a component, accessory or detail, replacing and re-installation in helicopter, inspections as well as costs for packing, handling and transportation to and from Motorflug Baden-Baden GmbH shall be for the account of the customer. Motorflug retains sole right to decide whether affected items shall be repaired or replaced.
4. The warranty applies only if the component, accessory or part has been installed, handled and maintained in the correct manner and only if it has been used under normal operations, and if the correct fuel and lubricants have been used. Accordingly, no compensation will be provided for damage in consequence of wrong adjustment by anyone other than Motorflug Baden-Baden GmbH, or for overloading or corrosion.
5. Claims shall be made in writing not later than 30 (thirty) days after discovery of non-conformance. The following documents shall accompany the claim:
 - Complete report on damage
 - Copy of Motorflug-invoice
 - Log-book, journal or similar document kept till the occurred event
6. The warranty is valid only for the original customer, and cannot be transferred to another person unless written approval from Motorflug Baden-Baden GmbH has been given.
7. Motorflug Baden-Baden GmbH warranty is limited to the obligations stated above. In no event shall Motorflug Baden-Baden GmbH be liable for collateral, incidental or consequential damage. Motorflug Baden-Baden GmbH is accordingly not liable either for loss or damage caused to a third party or to a third party's property because of a fault or faults covered by the warranty or because of consequential loss or damage caused as the result of such a fault or faults.
